Subject: Class VI Primacy

Lisa,

Has there been any progress made with the Class VI primacy application (i.e. Federal Register approval, multi-office concurrence)? Any information would be much appreciated.

Thank you and Merry Christmas!

contain a computer virus which could cause harm to EPA's computers,
network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced
into the EPA network. EPA is deleting all computer program attachments
sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you
should contact the sender and request that they rename the file name
extension and resend the Email with the renamed attachment. After
receiving the revised Email, containing the renamed attachment, you can
rename the file extension to its correct name.
